

Money Money Money

This is a Great Activity group work. Your group will be Divided in to teams and are given Fun Money. Teams must Use their fun money to partake in activities and games, and selecting the best team member for that activity to do the challenge! Depending on how successful they are, The Teams can win extra money to go and try their hand at the next activity Money money money tests Leadership, Motivation and Delegation Skills as teams try to complete in as many activities as possible

The Aim

The objective is simply, as a team, to win as much money as possible– the teams will be under pressure to do this in the given time. Each Team must Select a Team Member to lead the team, to ensure a focus on time management, communication skill, delegation , teamwork and individual performance. Should an activity be head to head it is the teams responsibility to ensure that they have a member(s) of an Opposing team to compete against

Teams Must

- *Delegate a TEAM CAPTAIN and a TEAM BANKER*
- *Select a Team Name*
- *Develop a team strategy*

Game 1—Rodeo Bull/Bucking Bronco

The Bull spins, turns and bucks at controlled speeds enabling everyone from the weak-hearted to a rodeo expert to experience the thrill of riding rodeo.
